

Saint Nicholas

I'm Lukas and the holiday we are going present is **Saint Nicholas**

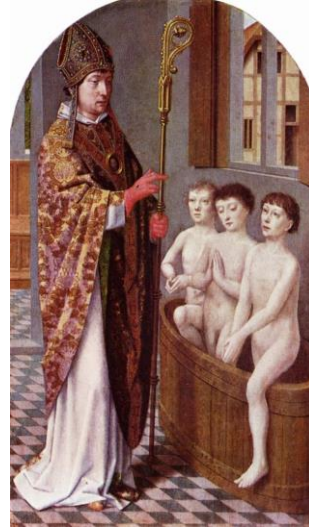

A little bit of history...

Nicholas of Myra was born around the year 300. Later he became bishop and saved 3 boys by a innkeeper in pieces were cut and in 1 tons had been stabbed. He did a prayer and the boys lived again.

He also threw pources with money in the houses of the poor people.

On december 6 342 he died
Later he was canonized.

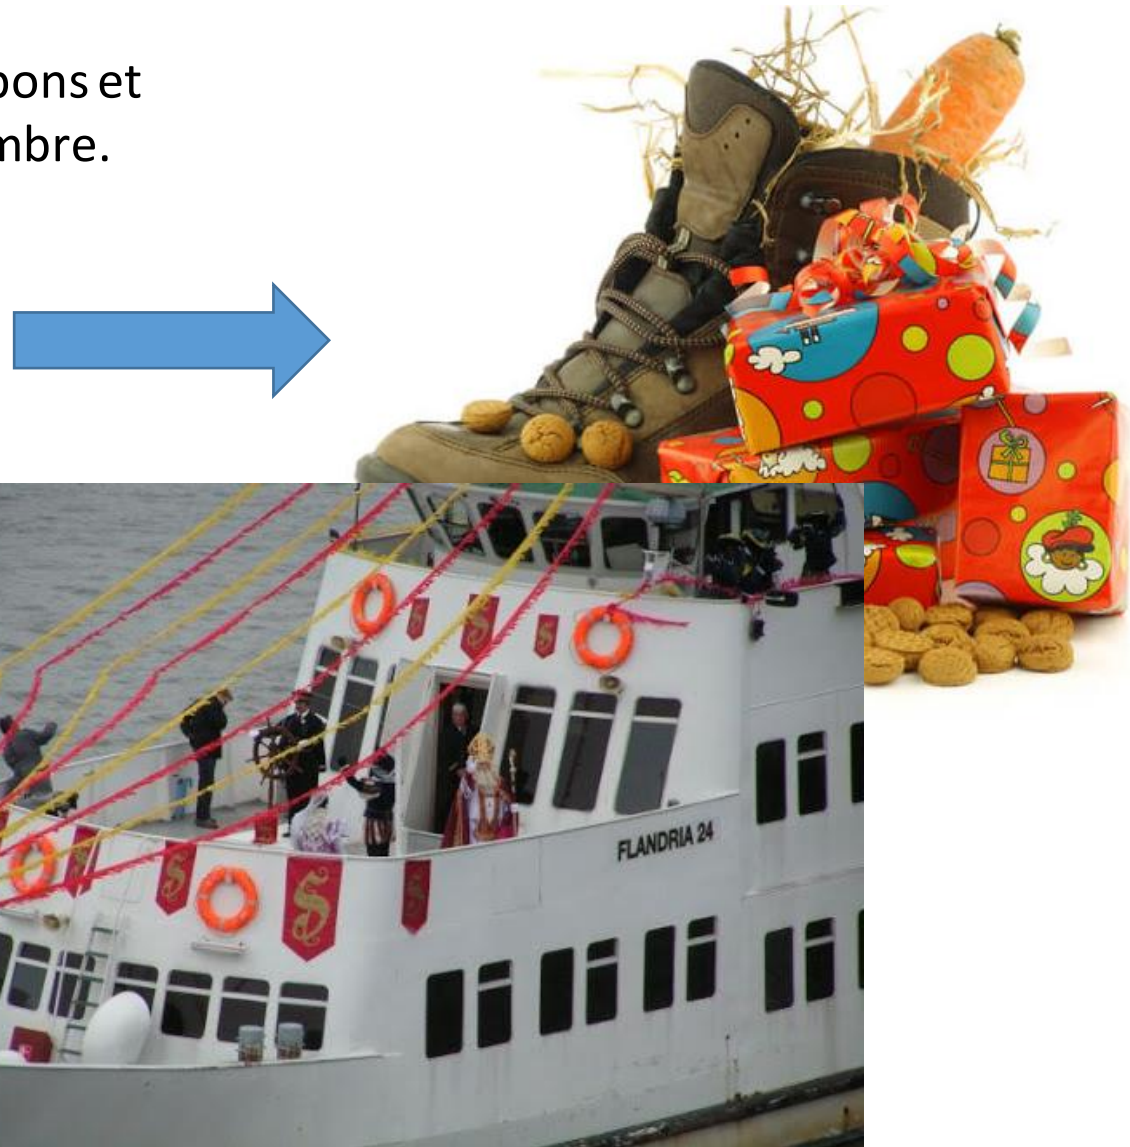

Qui est Saint Nicolas aujourd'hui?

Saint Nicolas est l'homme qui donne des bonbons et des cadeaux aux enfants courageux le 6 décembre.

Les enfants mettent la nuit précédente leurs chaussures avec leurs liste de souhaits et une carotte pour le cheval de Saint Nicolas.

Le matin du 6 décembre ont la carotte et la liste disparu, mais il y a des cadeaux et des bonbons.

Saint Nicolas vit en Espagne, mais le 16 novembre il vient à Anvers avec son bateau à vapeur.

Swarta Pete

Swarta Pete is the servant of Saint Nicholas. He helps Saint Nicholas with bring presents arround.

Sometimes he is alone, sometimes there are several.

His skin is black due to the soot of the chimmey.

In Belgium there is now a big discussion whether Swarta Pete is racists or not.

Thanks for your attention!
