16:00 - 19:00	Free time
19:00 - 20:00	Dinner

* The photography exhibition features forty photographs by numerous renowned Slovenian photojournalists, giving visitors an opportunity to witness the image of our capital city right back to the times when tramways and carriages alone filled the city streets. In the period of the 20th century, Ljubljana transformed from a city of horses and carriages to an urban capital. Exhibition at the Ljubljana castle in cooperation with the Slovenian National Museum of Contemporary History.

SATURDAY, 12 MARCH
