

TRAINING TOURIST INFORMATION CENTRE VOCATIONAL SCHOOL "PROF. DR. ASEN ZLATAROV" VIDIN

The tourist information center, which belongs to Vocational School "Prof. Dr. Asen Zlatarov", was created to promote Vidin and was built under a project of the Vocational School for modernization of our material base.

Students specializing

"Organization of Tourism and Leisure Time"

train to work as travel agents and have their school practices there.

The office was opened on October 26th, 2010 – on Dimitrovdan, which is the day of Vidin. It is located in the riverside park near the Danube.

The Tourist Information Centre offers:

- Information for visitors and tourists about the tourist sights and the places of accommodation and meals in the municipality; about the transportation services offered in the city;
- Making reservations for accommodation and meals;
- Promotional materials for the landmarks in Vidin and the region;
- Information for all other tourist information centers in Bulgaria;
- Preparation and implementation of routes for sightseeing tours;

The Tourist Information Centre offers:

- Organization of sightseeing tour of the city with tour guide provided;
- Electromobile ride with tour guide provided;
- Walking tours on request, with a guide and wireless communication system (receiver and headphones for each participant during the tour)
- Film screening of Vidin and other Bulgarian cities and sights;
- Souvenirs
