

## COMMITMENT LETTER

This letter is to confirm commitment to the project. The person who is named below confirms that the project activities will be carried out to the best of their abilities and will try their best to ensure that their students enjoy them. Furthermore, I

Chunleia Chang aka Delby (Name and surname of participant) confirm that I will be part of the project. I have permission from my school's head teacher and my students' parents to publish, photos, materials and videos of students and teachers involved in the project activities to the educational eTwinning platform.
