

RECRUITMENT OF TEACHERS FOR ERASMUS + SKILLS FOR FUTURE WORKING LIFE IN EUROPE (SFUWOL)

RECRUITING TEACHERS PROCESS

In order to decide the teachers to be part of the project some steps were followed. The project was explained to the school community at the beginning of the school year and a set of rules was established to be part of it. The participants received a punctuation for their accomplishment. The rules were:

Command of English	5 points
Not leading another Project	5 points
Experience in the topic of early school leaving and social inclusion	4 points
Experience in Project leadership	4 points
Working experience at the school	3 points
Availability to travel	2 points

PROCEDURE:

The school principal together with the Erasmus + coordinator selected and interviewed a group of eleven candidates and ranked them according to the punctuation above.

The candidates who obtained the highest results were chosen to be directly involved with the project. They were:

Anna Serra, Roser Matamala, Joan Soto, Judit Madurell, Marta Codina

This will be the leading group and the rest of the candidates will be part of the support group together with other school teachers who may enter the project.

They all showed their enthusiasm in engaging the Project and do their best to accomplish the goals proposed.
