

RECRUITMENT OF TEACHERS FOR ERASMUS + SKILLS FOR FUTURE WORKING LIFE IN EUROPE (SFUWOL)

RECRUITING STUDENTS PROCESS

In order to decide the students to be part of the project some steps were followed. The project was explained to all the participant groups at the beginning of the school year and a set of rules/ norms was established to be part of it. The participants received a punctuation for their accomplishment. The rules were:

| | |
|---|----------------|
| Age of participant students | 5 points |
| Positive participation in class development | Up to 5 points |
| Command of English | Up to 5 points |
| General results in school marks | Up to 5 points |
| Availability to host | 4 points |
| Close personal link to the project content | 4 points |
| Host in previous projects | 3 points |

PROCEDURE:

The group of students that was meant to participate in the project was a 4th and 6th level Secondary Education students (15-18 year-olds) group. They are 40 students in total.

The Erasmus + team together with the tutor of the group selected those students that fulfilled the rules above and ranged them accordingly.

The candidates who obtained the highest results were chosen to be directly involved with the project mobilities.

Both their families and the students selected were interviewed and given general information of the specific project content.

They all showed their enthusiasm in engaging the Project and do their best to accomplish the goals proposed.

For the First mobility to Greece, in May, the selected students were:

C.K. (28 points) , G.S. (27 points), I.S. (25 points), T. R. (25 points)
