

CAREER OPPORTUNITIES IN UTAJÄRVI & OULU AREA

UPPER SECONDARY SCHOOL

Upper secondary institutes include upper secondary school and vocational institutes. Upper secondary school studies are more theoretical in nature than vocational education. The studies provide all-round education: they are primarily focused on natural sciences and humanities.

UNIVERSITY OF OULU

Founded in 1958. Eight faculties. 15,000 students The University of Oulu is usually ranked in the top three per cent of all the 17,000 universities of the world. 20 international degree programs

UNIVERSITY OF APPLIED SCIENCES

9,000 students. Fields of education: culture, natural resources, business and information, health and social care and engineering.

APPRENTICESHIP TRAINING

An apprenticeship training agreement is based on a fixed-term employment contract between an employer and a student who is aged 15 years or over. The employer pays the student the salary indicated in the collective agreement.

JOB OPPORTUNITIES

You can contact employers directly, keep an eye on advertisements in newspapers and look for jobs online on websites that provide employment services. You can also become an entrepreneur and start your own business.
