

Rules about Netiquette on social media:

- Respect the Human: do unto others as you would have others do unto you.

- Share expert knowledge: Share what you know, but make sure to have the right resources and references.

- Respect other people's privacy: don't give out another student's personal email address without permission

- Know where you are in cyberspace: the same written communication can be acceptable in one area, where it might be considered inappropriate in another.

- Make yourself look good online: always check for spelling and grammar errors, know what you're talking about and state it clearly, be pleasant and polite.
