

## PROJECT ERASMUS+ ON GEOPARKS

### END-OF-PROJECT SURVEY: *DO WE VALUE OUR NATURAL HERITAGE?*

**We need your help to fill in this survey.**

#### PROFILE

SEX:  MALE  FEMALE

AGE :  10 – 18 years old  
 19 – 35 years old  
 36 – 65 years old  
 older than 66

#### ON AROUCA GEOPARK

1. Do you know that our geological and cultural heritage has been declared a geopark by UNESCO?  YES  NO
2. Do you know the work that AGA (Asociation Arouca Geopark) has carried out to promote Arouca Geopark?  YES  NO
3. In case of affirmative answer, how did you get the information?
  - AGA dissemination (lectures, activities conferences, educational programs organised by AGA)
  - Social networks
  - Media
  - Local institutions
  - Family, friends
  - School Project Erasmus+ Geoparks
  - Others
4. Do you think the Erasmus + Geoparks Project has helped you learn more about our cultural and geological heritage?  YES  NO

We thank you for your collaboration.

**Agrupamento de Escolas de Arouca, with the collaboration of AGA, is participating in the ERASMUS+ programme with other European schools located in geoparks. The objective is to promote the natural and cultural heritage of all the territories involved in the project.**

On the school webpage (<https://agesc-arouca.pt>) and AGA webpage (<http://aroucageopark.pt>) you will find all the information on this Project.
