« Present for the future », un projet de mise en valeur de sites naturels sous l'égide du programme ERASMUS +.

Des établissements scolaires d'Allemagne, France, Pologne, Roumanie et Turquie mettent en commun leurs spécificités pour choisir des lieux caractérisés par leur paysage, leur faune et/ou leur flore puis, réalisent parfois une simple description parfois un cheminement à destination du public.

*« Present for the future », a project which promotes nature sites under the aegis of ERASMUS Programme.*

*Scholastic institutions from Germany, France, Poland, Romania and Turkey pool their specificities in order to select characteristic locations according to landscape, animals and/or plants. They also sometimes write a description or worn a path to let the public experiment.*
