

TRIP TO CZĘSTOCHOWA

SUNDAY 28TH MAY 2017

We arrived in Poland and took the bus to Czestochowa. When we arrived at the hotel we decided to explore the city.

We had lunch in Czestochowa and the teacher invited us for pizza.

After that the teacher of the Polish school took us to the Bright Hill park to look for those trees which are monuments of the nature.

We found these trees and took pictures of them.

At 6pm we had our dinner at the hotel. After that we had free time and we could do whatever we wanted to.

WALK TO BLACK MADONNA IN CZĘSTOCHOWA

MONDAY 29TH MAY 2017

After we had breakfast at hotel we went to the Polish school.

We held our presentation about our school.

We also presented the results about the mobility to Germany. The other countries presented other topics such as teenagers life.

The next step was to explore the Polish school. They showed us the different places and told us about life at their school.

We registered the new students in eTwinning.

PRESENTATIONS AT POLISH SCHOOL

TUESDAY 30TH MAY 2017

On Tuesday we visited the Demonstration Bison Farm in Pszczyna.

We took part in a lesson at the farm. The farm guide told us about the other species which also live at the farm and about the history of the bisons.

After that we visited the Open-air museum of the Silesian Village where we had a tourguide who informed us about the bees being in danger of extinction and bee keeping, watching the old and modern apiary.

After we had dinner in the hotel we were free to do our own thing.

WEDNESDAY 31ST MAY 2017

We went to the mayor's office in Olsztyn near Częstochowa.

We received some information about the tourist attractions in the neighbouring area and went for a short walk to the Castle Hill in order to gain information about the geology of the area.

After that we visited the nature reserve of the Falcon Mountains. We explored caves and got information about them and other things.

Our next stop was at the ecological ground which is called Towarnie Mountains. We explored the grassland and the Towarnia Cave.

THURSDAY 1ST JUNE 2017

On Thursday we were at school and summarised all the information about the different nature results which we had visited the days before.

We were in 5 different groups and we had different tasks.

We loaded our information to eTwinning.

After that the teachers had a meeting and the polish students showed us their city and the best sides of it.

At the evening we had dinner at the hotel and then we were with the other students bowling.

FRIDAY 2ND JUNE 2017

On Friday we went to see the Zoological Garden in the city of Wrocław.

We had a tourguide who told us about the predatory mammals in Europe such as wildcats and the wolf and then we went to the Africarium.

In the evening we had our final dinner together. We were at a restaurant in Czestochowa and had a three course meal which was really delicious.

After the dinner we had to say goodbye to the other students because we went home at different times. It was really sad to see everybody leave because we had a great time with the people from the different countries.
