

A long time  
ago in Cracow

Run away people.  
It has just eaten  
my sheep!!!

I will defeat  
the dragon

**Did he make a good decision?**

Our hero  
filled a  
sheep with  
sulphur.

I'm so  
smart.

Come on.

Oh, I'm so hungry

Give me  
water!!!

I'm the best!

No problem.

Thank you for saving my Kingdom.

And this is how the  
Wawel Dragon has  
been defeated.

THE END
