

CHAIN OF INSECT HOTELS

ETWINNING 2021/22

2021 - 09

Teachers were planning the project and looking for partners

2021 - 10

Teachers send the project for approval

2021 - 10 and 11

We, kids, got to know each other through this game, in which we had to make avatars and recognise our classmates.

And we were looking for bugs around the school.

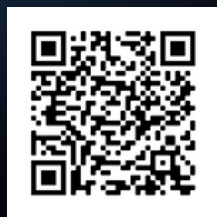

2021 - 12

This was the month of creating and choosing our logo.

2022 - 02

We have studied the environment of the insects hotel.

2022 - 01

This month was to draw plans and begin the construction idea

2022 - 03

in this month we were all starting our insect hotels

2022 - 03

we were playing teachers: explaining how to make an insect hotel, why they are important, what materials are needed...

2022 - 04

We were in partnership mode!

2022 - 05

We were finishing our project and doing assessment
