XVI. Proszę rozwinąć wcześniejszą wypowiedź: Na ile projekt wpłynął na twoje życie szkolne? (jakieś zmiany np: podejście do przedmiotu, nauczyciela, itp) Write in what way the project has changed your life.... 13 odpowiedzi

- I have become more open to people.
- I am more motivated to learn English.
- I have a better contact with my teacher.
- I appreciate the significance of learning languages.
- Student- teacher relations became closer and more informal what I consider a very positive phenomenon.
- It was superb and I felt like that even after the mobility.
- I cannot value because of the pandemic breakout- too little time spent there.
- It completely changed my attitude towards language lessons(x2). I got to know closer my teachers what made me more interested in the lessons and the materials prepared on regular basis. Moreover, I made friends with the people taking part in the mobility.
- Lessons are more pleasant now.
- It has changed very much as well as the pandemic time.
- It hasn't changed either my attitude towards the teacher or English subject as it has always been good but I am on good terms with Polish students taking part in the project.
- I got to know better students from my school, we are on good terms.
- Chances to get to know the teachers better at school are not as big as during Erasmus+ mobilities.
- I would like to learn English more in order not to have any problems with fluent speaking.

XVII.

- My behaviour has changed. Thanks to involvement in the program I got more points.
- My behaviour mark and a mark of English have changed.(x4)
- In general my marks have improved (x3)
- I had good marks but thanks to the program my marks were higher.
- At school we mostly learn grammar and things we need for the exams. Thanks to Erasmus+ program we learn more vocabulary and we improve communication skills.
- I broke the language barrier and thanks to it had better marks in English.

XXI. Co byś zmienił/ poprawił w realizacji przyszłych projektów Erasmus+? What would you change in the future Erasmus+ projects?13 odpowiedzi

- Fewer activities during the day and more time for students' integration.
- I would like other people to go not e/g the same ones for the second time.
- More chances, possibilities to speak English.
- Nothing x 4
- Nothing, everything was perfectly planned.x x4
- Organisation during the trips(more information about the time of the meeting, where we are going...)

XXII.Jakie problemy miałeś/aś podczas mobilności? Did you have any problems during your mobility/ies?14 odpowiedzi

- Too little time spent in a country
- The lack of typical breakfast at a host family
- None x2
- One Polish teachers left her passport at home and we had to wait a lot of time to check in.
- In spite of the pandemic we were able to come back home quite smoothly.x 2
- Coming back home sooner because of the pandemic but it was nobody's fault.
- Stress problems (new experience)
- In spite of spending few days with an Italian family, I felt like home. The family was wonderful.
- For the first few days communication problems.
- Communication with some foreign students.

XXIII.

- It was great to replace teachers and have lessons with so many people.
- It was fantastic to meet so many new people and develop my language skills.x 2
- People I met were great.
- I opened myself and started to speak English.
- I liked meeting new people, getting to know their cultures and customs. X 2

- I had only good impressions. I liked the atmosphere and relations among all the participants of the project.

XXIV. Opisz, co najbardziej podobało ci się podczas mobilności, twoje wrażenia, doświadczenia, czego się nauczyłeś, co ciebie zszokowało, itp? Write what you liked most about the mobility? what you learnt, experienced, what shocked you, etc. 14 odpowiedzi

- I became more open to people and long travels.
- I learnt about many Spanish customs and the most I liked Alhambra.
- The engagement and a great attitude of Polish teachers, the hospitality of the foreigners, interesting activities.
- Definitely meetings with foreigners. It was shocking to me how nice, interesting and outstanding people they are. 95% I would say.
- The best company ever, speaking English.
- I liked Italy much in spite of the situation we were in.
- The best I remember landing. When I saw we finally reached our destination I thought "I did it!" I felt happy and proud of myself. I knew it was the beginning of the adventure. I wasn't surprised as I had already been interested in the Italian culture. I learnt more words and more customs.

XXV.

Jak oceniasz przygotowanie wizyty/mobilności w Polsce? Value the preparation of the mobility in Poland.

15 odpowiedzi

- I wasn't a host family- x7
- I wasn't a host family but now I know I would like to be and would invite sb to my house.
- I like having guests in my house. So I would definitely do that again. After such experience I have a lot of positive energy.
- Yes, Cristian was a wonderful guy and I would like to host him again.
- Yes, it was a very interesting experience.x2
- The time spent together was marvellous so yes, I would host somebody again.
- Yes, and I would do that again It was a very valuable experience.
- No, but now I would say 'yes' to host somebody.

XXVII.

Czy jeśli będzie jeszcze taka możliwość weźmiesz udział w projekcie Erasmus+? If you happen to have the possibility to take part in any Erasmus+ project once more, will you join it?

15 odpowiedzi

XXVIII. Możesz skomentować/rozwinąć dowolne pytanie z powyższych lub dopisać dodatkowe komentarze. Here you can develop your previous ideas/ leave a comment. 7 odpowiedzi

- Everything was well prepared, I have only good memories. If I only have a chance, I will take part in such projects.
- I would give 10 points out of 10! I will never forget this experience!
- It is hard to answer some questions as I was this unlucky group that couldn't take the advantage in 100% because of the pandemic breakout. But except from some traumatic experiences, there are positive ones, some even very much! I would like to participate in Erasmus+ program once again.
- I am grateful to all the teachers and students 😊
- Covid 19 spoiled our plans. Now as a postgraduate I cannot participate in Erasmus+ program but if I could I would. I hope students will take advantage of it. Not only can they learn something but also meet many interesting people.
