MY DREAM  
IS MAKING  
PEOPLE HAPPIER BY  
MY DRAWINGS

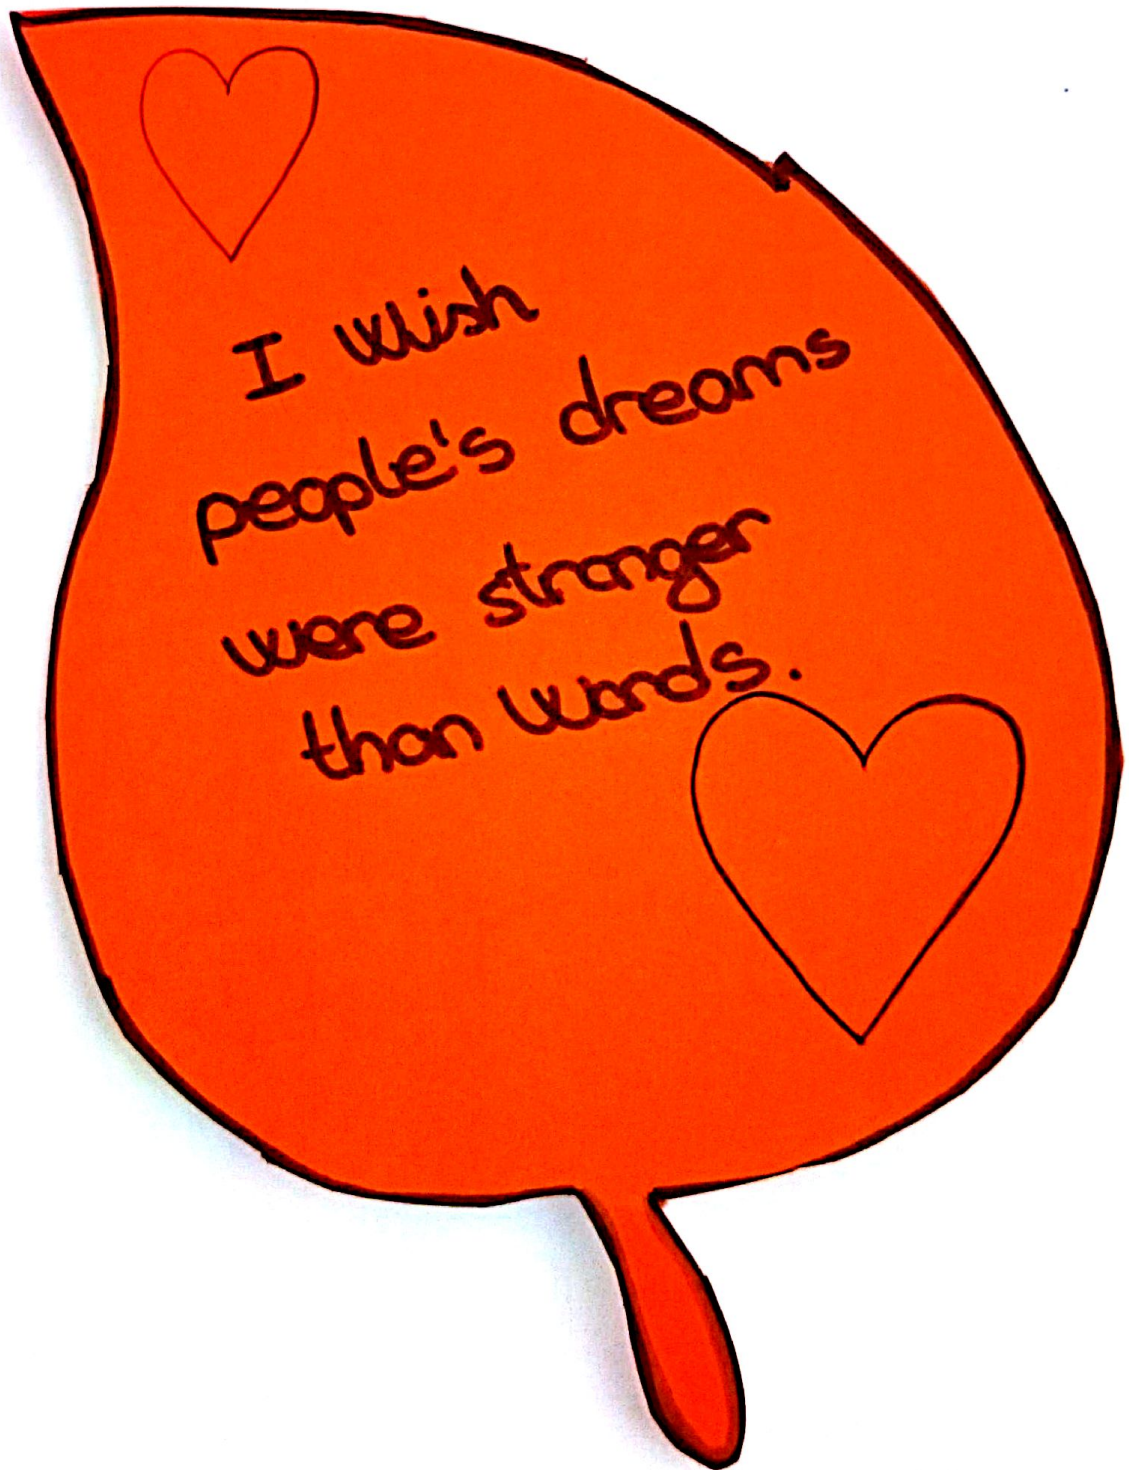

*Ana Maria Cordeiro*

Peace for  
everyone hunger  
for nobody around  
the world

I wish  
people's dreams  
were stronger  
than words.

I wish I hope

freeze the time to

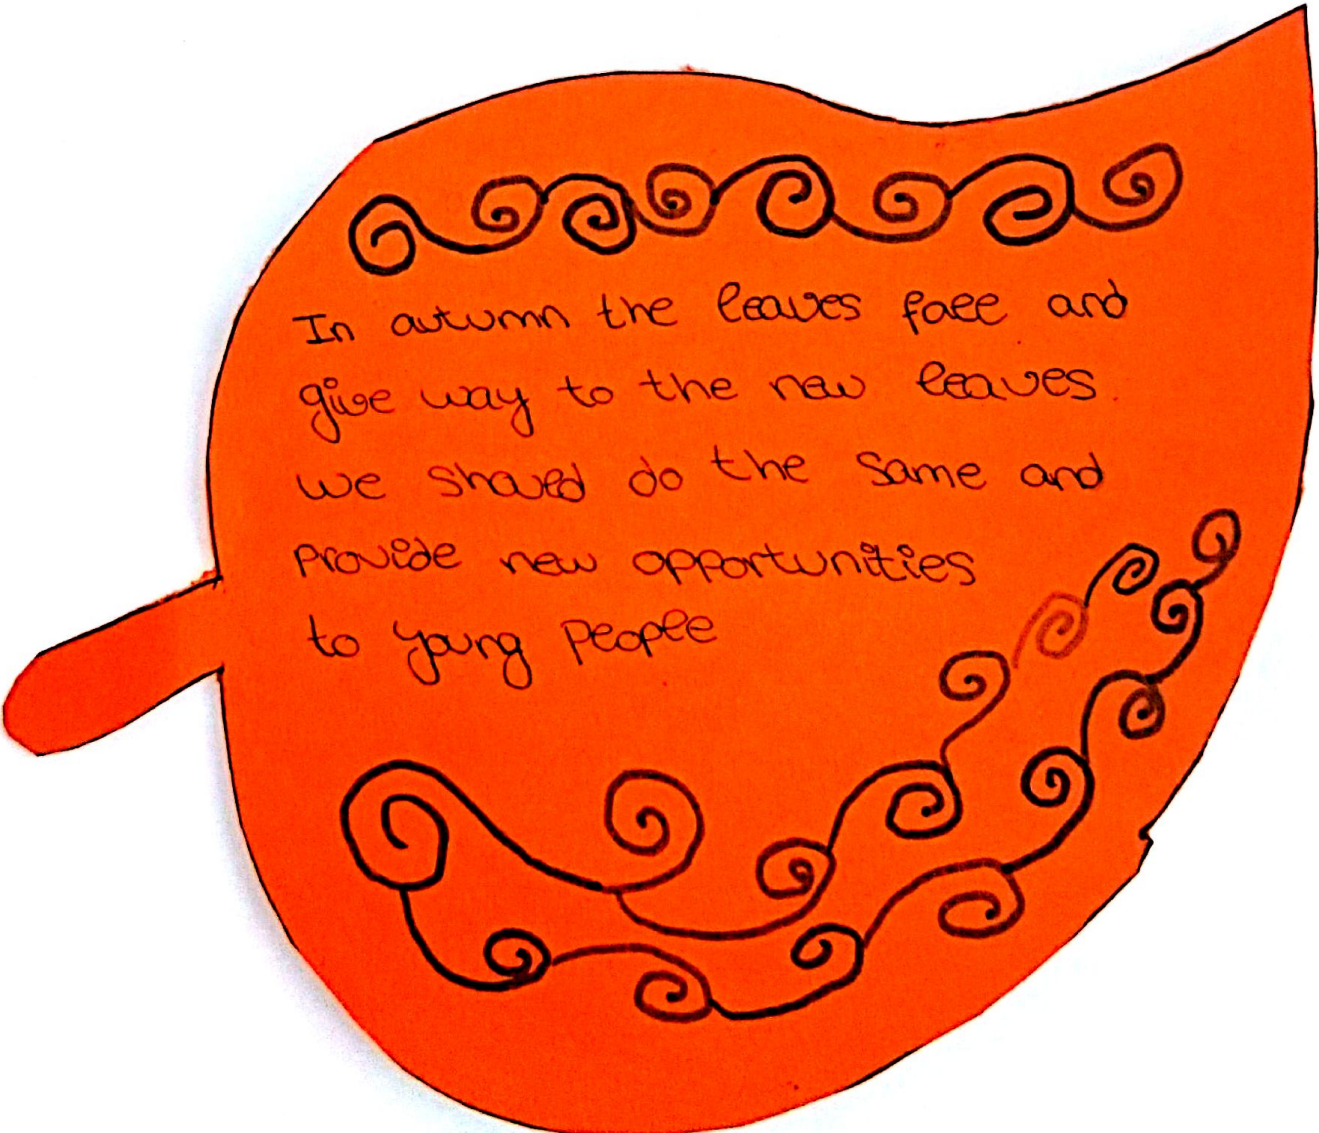

enjoy the good

Moments

With you

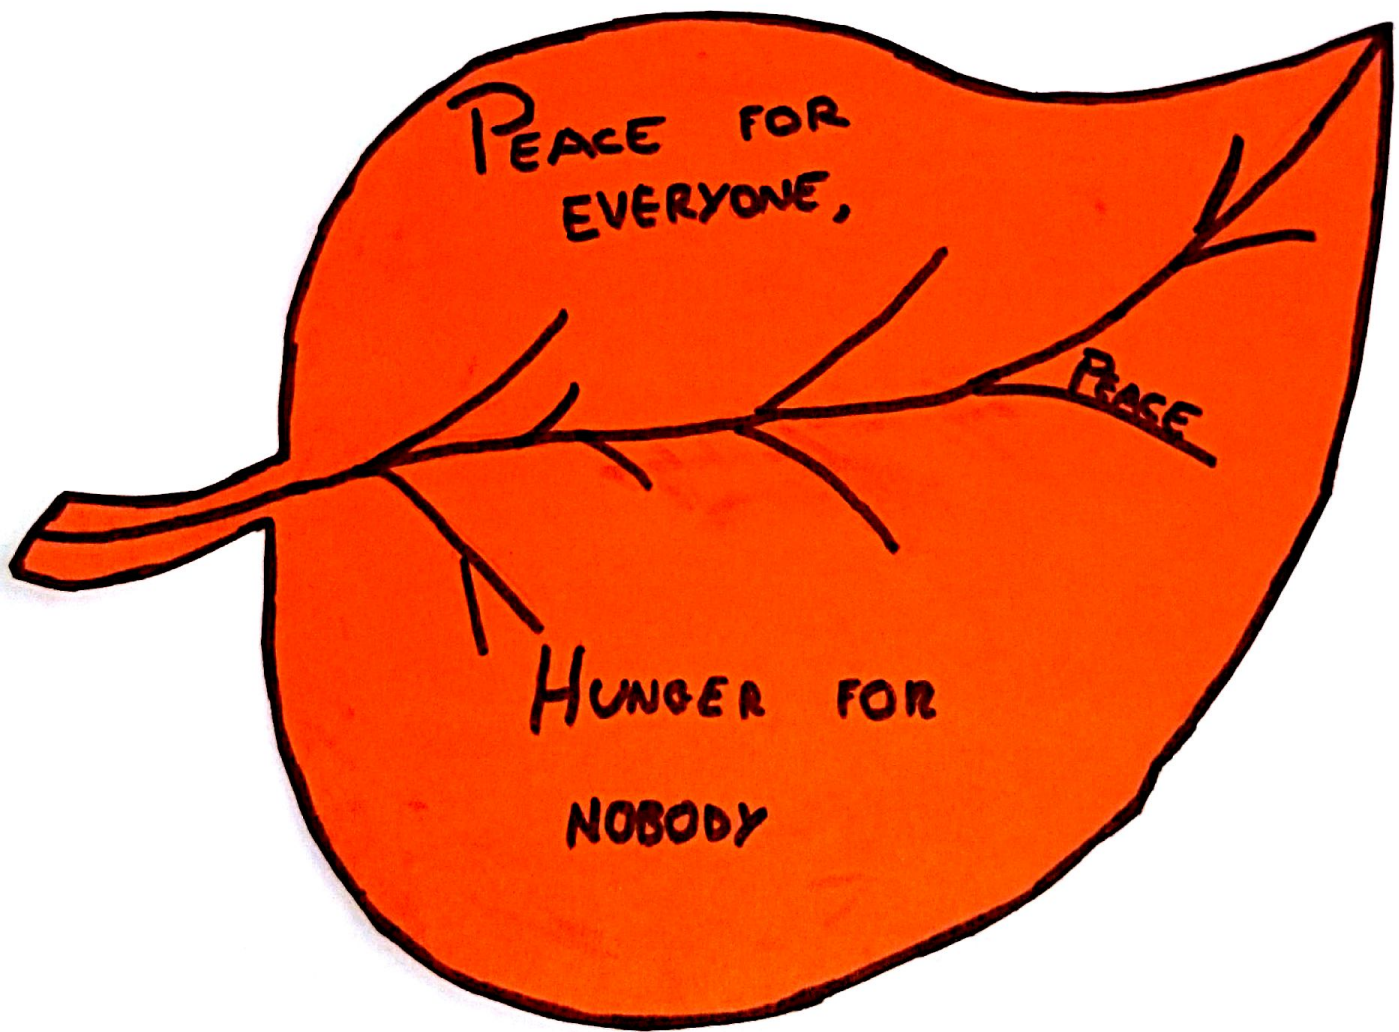

Peace and love for  
everybody in the world  
because we are all humans

In autumn the leaves fall and  
give way to the new leaves.  
we should do the same and  
provide new opportunities  
to young people

I want to travel around the world  
and end the conflicts : I also  
want to give money to the  
other people that need it  
and try to find a  
cure for illnesses :

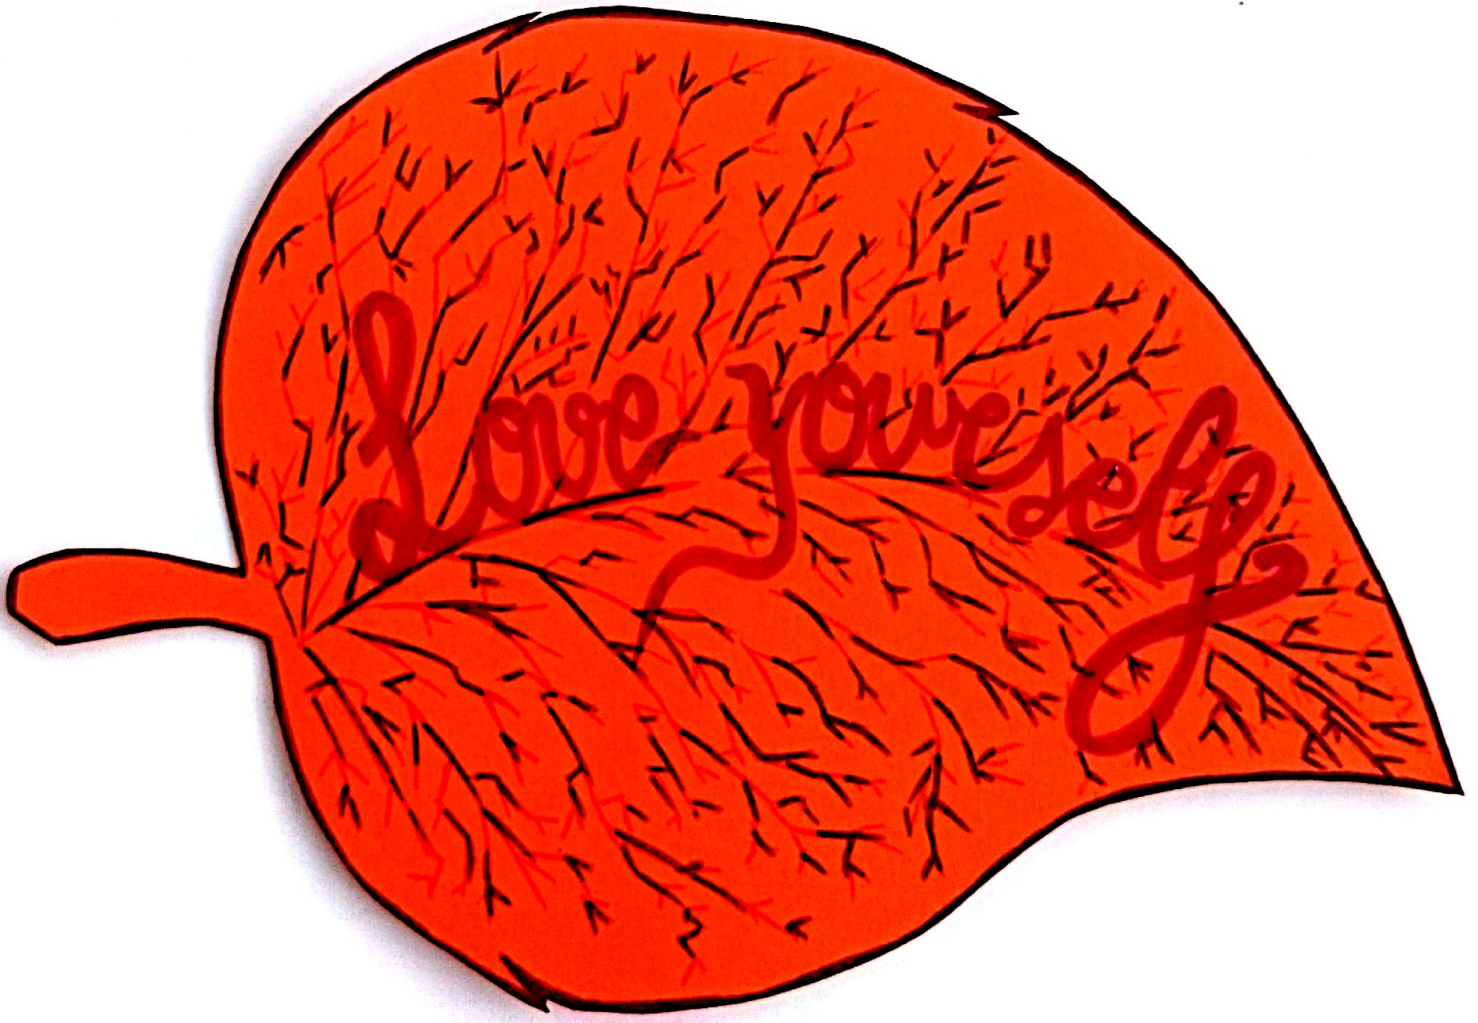

HUMANS BEINGS MCP

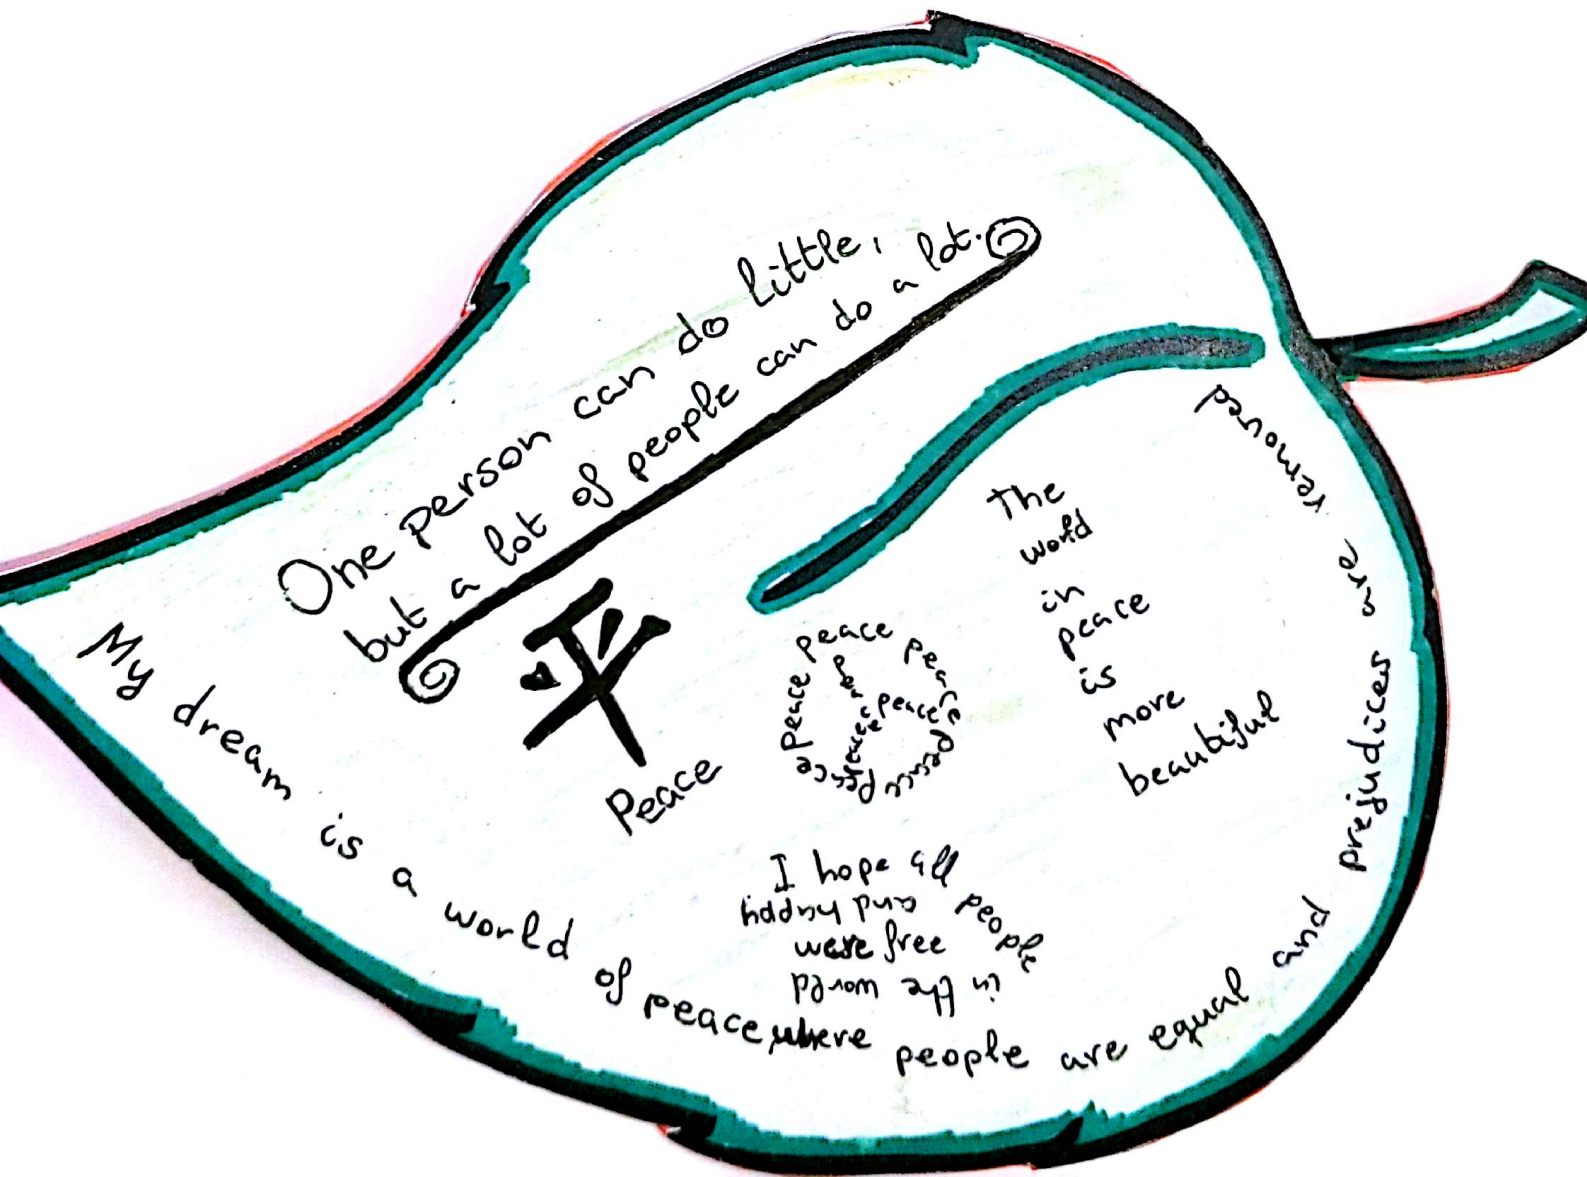

BUILD MANY WALLS

but...

NO ENOUGH  
BRIDGES

One person can do little,  
but a lot of people can do a lot. ☺

Peace

Peace  
Peace  
Peace  
Peace  
Peace  
Peace  
Peace  
Peace  
Peace  
Peace

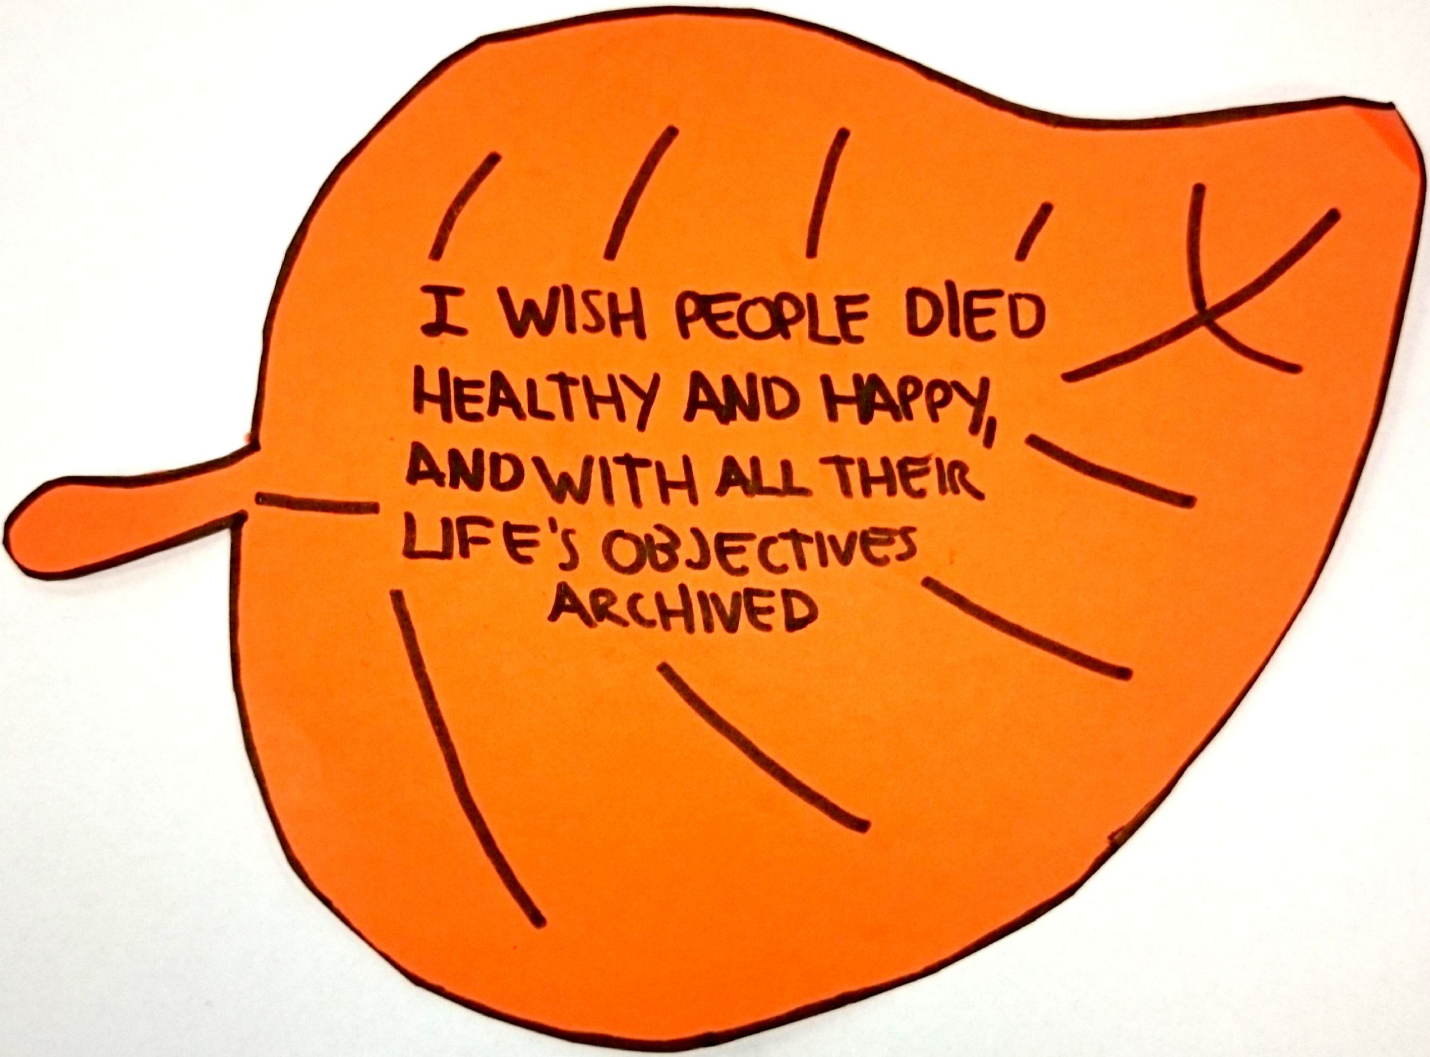

The world  
in  
peace  
is  
more  
beautiful

I hope all  
people  
are free  
and happy  
in the  
world

My dream is a world of peace

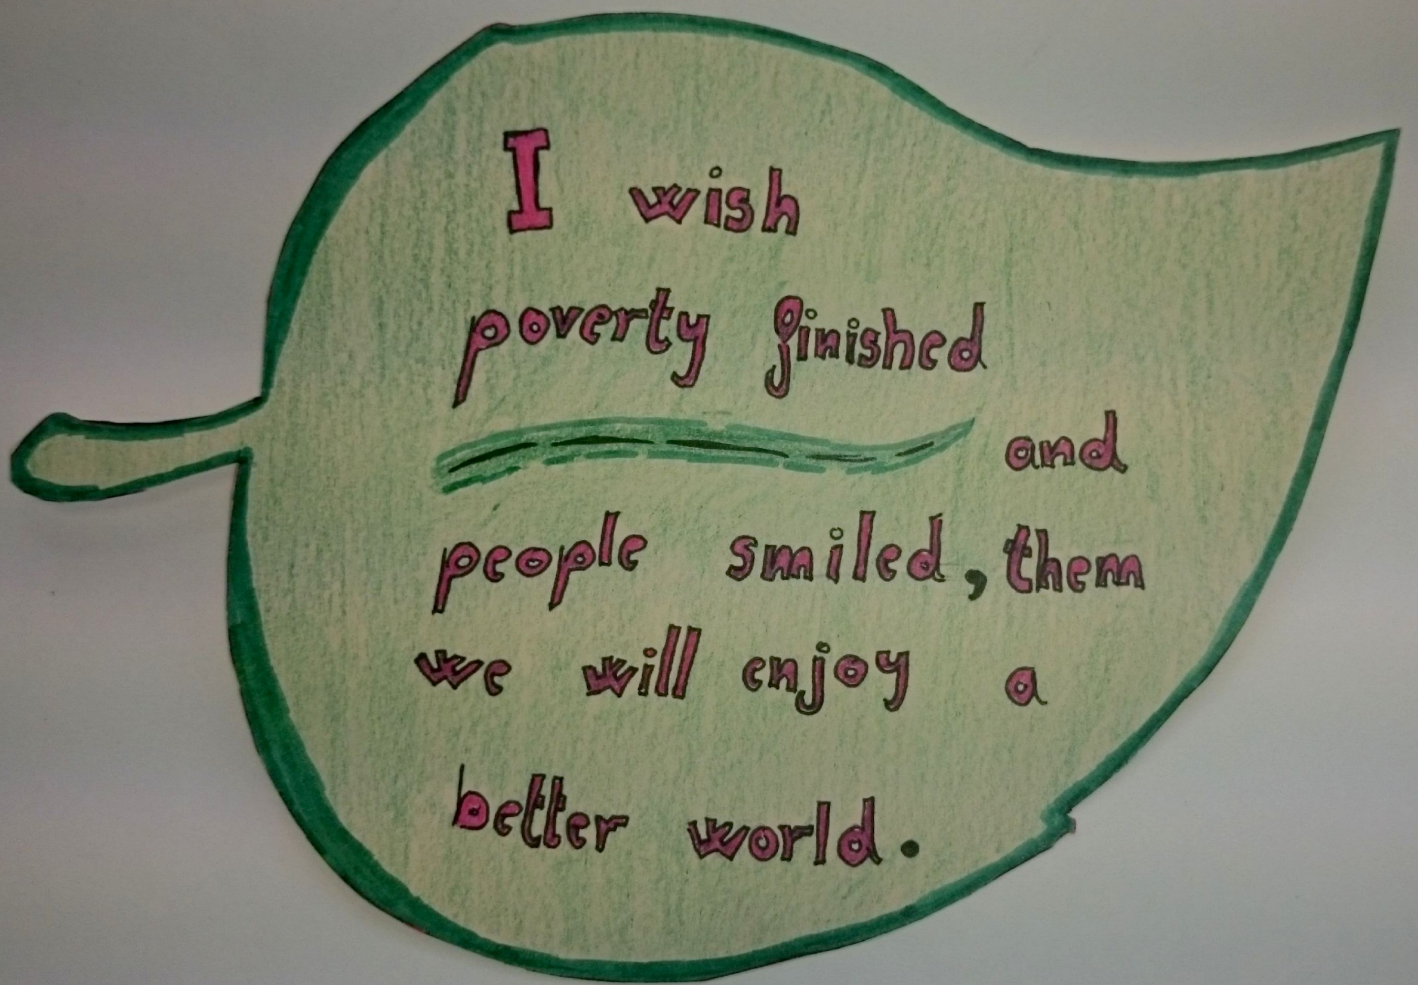

where people are equal and prejudices are removed

I WISH PEOPLE DIED  
HEALTHY AND HAPPY,  
AND WITH ALL THEIR  
LIFE'S OBJECTIVES  
ARCHIVED

I wish

poverty finished

and

people smiled, then

we will enjoy a

better world.
